AN ORDINANCE REGULATING THE STORAGE OF PROPERTY IN OPEN YARD AREAS
WITHIN THE CITY OF GREEN ISLE

The City Council of the City of Green Isle hereby ordains:

Section 1. The purpose of this ordinance is to regulate the storage of property in areas of the city visible to the general public, in a manner designed to protect and promote the health and welfare of the public, and to maintain property values.

Section 2. No motor vehicles designed to operate on public highways which are either inoperable or unlicensed or which are both inoperable and unlicensed shall be stored on any private property within the City of Green Isle for a period of more than 30 days, unless stored in a building, or surrounded by a fence or other enclosure as approved by the City Council to keep said vehicle from public view. No motor vehicle, regardless of condition, shall be parked or stored at any time on front lawns in residential areas. No motor vehicle, regardless of condition, shall be parked or stored at any time on back lawns in residential areas, with the exception of seasonal use motor vehicles such as recreational vehicles, motor homes and boat trailers, which may be stored on backyard areas in a neat and orderly fashion in cases where the owner does not have sufficient garage or driveway space to store such recreational vehicle.

If the assessed costs set out in this paragraph are not paid within 30 days after billing by the city, the city reserves the right to assess such costs against the real
estate on which the violation occurred, on the next real estate tax assessment roll following the violation.
